IMPORTANT – Health Care Person-Centered Profile on Reverse Side

Health Care Person-Centered Profile

What Matters to Me

Please call me

Mr. Blake

1. What people appreciate about me

Caring son,cousin
Great cook -- famous for his meatloaf and mac and cheese
Basketball fan and former college player at UW

2. Who and what is important to me

* My Blake lost his son years ago in a car accident. He hears his son's voice and often talks to him in return. This is comforting to him and nothing to worry about.
* Listening to music (e.g. Dave Mathews Band) and watching historical movies or LA Lakers basketball are his favorite activities
* Mr Blake does not always agree with his mother. She means well, but tries to make decisions for him he does not agree with. Mr Blake prefers you respect his wishes as outlined in this Passport and his AD.
* Mr. Blake has an Advance Directive, the information card is in his wallet - His cousin Mathew Harris is his health care proxy (314-548-3329)

3. How to best support me

* Keeping pain under control helps Mr. Blake stay calm
* Mr Blake has strong thoughts about the government, especially during crisis -- he fears he is under surveillance by the FBI and CIA. Don't challenge or dismiss him as he may get upset. Reassure him of his safety and let him know you are there to help.
* Even when Mr. Blake is struggling with psychiatric symptoms, he understands much of what is being said. Always speak with him and explain what you are doing, and why.
* Mr. Blake's favorite snacks for his diabetes: almonds, yogurt, apples
